Dear Sponsor of Troop 92:

For more than fifty years, Boy Scout Troop 92, sponsored by the First Congregational Church in Cheshire, has provided an active program for many scouts. Through Scouting, boys ages 11 to 18 years old participate in activities that foster leadership, character building, and independent thinking.

Our Scout program includes: camping, outdoor activities, and an opportunity to try new skills within the merit badge program. The scouts in the troop pay annual dues to partially fund the program we offer. These dues, however, do not cover all of the troop's expenses.

To address this need, Troop 92 holds an annual ziti dinner, at our sponsoring church, to raise funds to support Troop operations. Our ziti dinner this year will be held on Saturday, March 7<sup>th</sup> from 5:00 PM – 7:00 PM. Money is earned through both ticket sales and dinner placemat sponsorship ads.

Please consider becoming a sponsor of Troop 92 with a donation of \$10 per ad block. Each ad block is one inch by two inches (the size of a standard business card) in size and multiple block ads are available. Your donation would be a big help in allowing the Troop to provide a program of learning and adventure for a terrific group of boys! Your support is appreciated.

Sincerely,  
Troop 92
